Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 02 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry apart from early morning heavy showers.

This Evening and Tonight:
The last of the day's showers expected to clear in the early evening, leaving a largely dry night with plenty of clear spells. Expect showery rain, often heavy, to move in from the southwest in the early hours of Saturday. Minimum temperature 12 deg C (54 deg F).

Saturday:
Remainder of the night's rain likely confined to the north through the morning. Sunny spells developing through the afternoon, with isolated and perhaps heavy, thundery showers. Feeling warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Sunny spells with heavy and perhaps thundery showers on Sunday. Increasing cloud and cooler on Monday with heavy rain later. Blustery on Tuesday with sunny spells and scattered showers.
